

Policy for Requests to Join AVP Children's Cast after Auditions

- Any request to join the Children's cast **between auditions and the first rehearsal** is reviewed at the discretion of the Directors. Directors may decide to allow child(ren) into the cast, or place on a Wait List. The Wait List would be maintained by the Children's Stage Manager and may be posted as "Wait List" under the "Cast" section on the website. Any changes made to the Children's cast are forwarded to the Choral and Dance Directors, Children's Stage Manager, Stage Manager, Web Master, as well as any other individuals deemed necessary.
- Any request to join the Children's cast **during or after the first rehearsal is automatically placed on a Wait List**. The Directors, along with the Choral and Dance Directors, will assess cast needs and choose individuals to join the Children's cast from the Wait List (in order of request) whenever necessary. Same notification as outlined above will occur.
- **In order to be eligible to join the cast OR the Wait List, a signed Parent Rules and Responsibilities must be on file agreeing to the terms of child(ren) participation. A request will not be reviewed OR placed on Wait List until all paperwork is in hand.**
- Individuals will be called and invited to join the Children's cast if/when cast needs arise.
